## Corn Syrup Painting

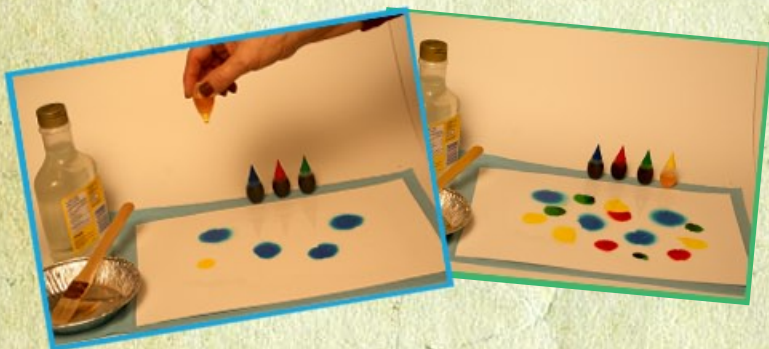

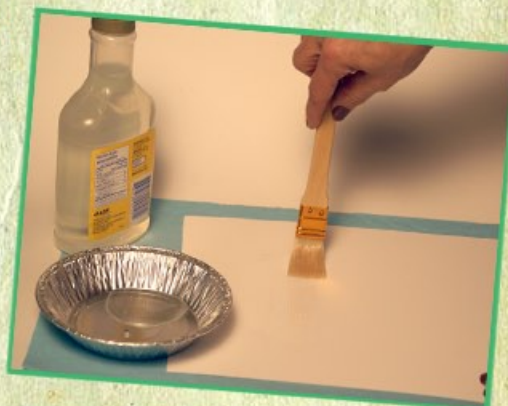

You will need:

- Heavy Card Paper – cut into the size you desire.
- Corn syrup
- Wide soft Paint Brush
- Food Colour
- Eye Dropper

1. Pour some Corn syrup into a small container that is large enough to easily Dip the PaintBrush in.

2. Using the large Brush, spread the Corn syrup over the Paper evenly so there is a thin layer of syrup over the Paper.

3. Using an eye Dropper, Drop Droplets of food Colour onto the Corn syrup.

4. Watch as the food Colour spreads into a Beautiful shape. \*Set aside to Dry...it takes a Day or two Depending on the thickness of the Corn syrup.
